Report on Bridge Course in Basic English Grammar

Academic Year: 2018-19

English language has been accepted as one of the communicative languages of business communication. The curriculum of B. Com Programme has been designed in consideration with the need of enhancing students' abilities in using English for business purposes. The syllabus of English for Business communication demands students' knowledge about the basic and advance English usage. However after the diagnostic test and classroom teaching of the subject it was found that students lack knowledge of the very basic components of English language. Hence to bridge the gap of essential English the Bridge Course in Basic English grammar was organized in the month of October 2018. The objectives of the course were as follows:

1) To revise the knowledge of tense forms of the verb
2) To practise different types of sentences
3) To practise active-passive voice construction

The course commenced from 11th October 2018 to 30th October 2018. It consisted of 30 sessions. The 45 students registered for the course. However 15 girl students attended it regularly.
