**Report on "Chala Māno Bhave Shikuya"**

A college student should be mentally strong and physically fit to become a future intelligent citizen of India. A student should lead a dutiful life in both of these areas. The youth should be away from any addiction and bad behavior. The Medical Club has been established in the college with this view. Through the Medical Club a lecture was organised on "Chala Mano Bhave Shikuya". Dr. V.N. Shinde, Deputy Registrar of Shivaji University guided the students on the occasion. This event took place on August 23, 2018. The programme was presided over by a senior professor of the college, Mr. H. P. Shinde.
