**Report on "Bio data and Job Resume"**

Shri Venkatesh Mahavidyalaya, Ichalkaranji is specialized as Commerce College. A Placement Cell unit is established in the college. This unit is established with a view to make available various job opportunities to the students.

The recruitment-adds published in newspapers and received from other industrial and commercial establishments were displayed on notice board. Being under affiliation system and in view of the weak linkages with the user sector, we are aware of our limitations in respect of providing full-fledged placement assistance service to our students. However, we have been trying our best to acquaint them with the career opportunities in various fields as well as enhancing their employability. On behalf of Placement Cell one workshop on "**Bio data and Job Resume**" was organized. 203 students attended the workshop. Committee member Prof. N. M. Mujawar helped me for effective functioning of the placement cell.
