Report on ICT Based Innovative Teaching Techniques

Introduction:

Internal Quality Assurance Cell of the college takes continuous efforts in quality improvement of its stakeholders. In the present strategic plan the IQAC has initiated to enhance digital literacy among its stakeholders. One of its means is to learn new ICT tools in teaching learning process. In this connection IQAC of the college decided to conduct a workshop on 'Innovative ICT Based Teaching Techniques' for the faculty under FDP.

Objectives:

- To initiate towards the digital literacy
- To acquaint the faculty with new ICT tools of teaching
- To know different ways of innovative techniques of evaluation

With the abovementioned objectives One Day Workshop for the faculty was organized on 19th March, 2019. Dr. Vidyanand Khandagale, Department of Education, Shivaji University Kolhapur was invited as the resource person for the workshop. He conducted two sessions. In the first session he explained the use of various ICT tools and software recently used in teaching learning process. He gave hands on demo of Google Classroom, Google Forms, Flexi Quiz, Kahoot and other teaching and evaluation tools. All the faculty of the college participated in it.
