Quiz Contest Report

Sub - 'Health and Personal Hygiene'

The *Medical Club and IQAC* of Shri Venkatesh Mahavidyalaya, Ichalkaranji jointly organized Online quiz contest through google form on the subject of '*Health and Personal Hygiene*'

It is said that 'Health Is Wealth' but very a few of us consider it seriously. Since March 2020, the issues of health and hygiene have become crucial. In this pandemic situation millions of people not only became sick but also died, and one of the important reasons behind it was health. Therefore, it has become essential to make people aware about their health. Considering this, to create an awareness about health among our colleges staff, students as well as the people of the society there was organized an online quiz contest on 'health and personal hygiene' by the College. There were twenty questions included in this quiz contest and each question had four options. All the questions were based on health and personal hygiene. Every year various activities are taken through medical club regarding health issues. This activity was a part of these activities. The link for the said quiz contest was accessible from 31st August, 2021 to 14th September, 2021 so that maximum number of people will be involved. At the end of September 14, 2021, total 201 people participated in this quiz contest and submitted their responses online. As well as each participating contestant was issued an E-certificate of participation.

To make this contest successful, we received valuable support from Principal Dr. V. A. Mane and the guidance from the Vice-Principal Dr. N. M. Mujawar as well as we received valuable support from all teaching and non-teaching staff of the college in conveying this quiz quintets to maximum individuals.

Yours Sincerely,

Mr. (Dr.) Pradeep Gaikwad
(In-charge, Medical Club)

Mrs. (Dr.) S. N. Jarandikar
(NAAC, Co-Ordinator)
