REPORT ON ORIENTATION SESSIONS

To introduce the students with the mechanism of the college and its code of conduct, the institution organizes the Orientation cum Induction Programme every year for the newly admitted students. The programme is organized by the Discipline Committee in collaboration with IQAC. In the academic year 2020-21 the college could not be commenced due to the Covid 19 outbreak and its subsequent lockdown situation. Therefore the online videos of IQAC Coordinator Dr. S. N. Jarandikar and Principal Dr. V. A. Mane were shared among the students through the authorized telegram groups on 12th and 13th September 2020 respectively for informing students the rules and regulations of the college. They were also informed through the notice of the code of conduct necessary to be observed for an online teaching learning procedure. Besides that at the time of the eligibility process of the students, they were instructed about the rules and regulation in the orientation session. Though it was University Examination period for the II and III year degree students by observing the guidelines of the social distancing the students were counselled by the IQAC Coordinator and the principal of the college. These induction/orientation sessions were conducted from 10th October 2020 to 15 October, 2020. All the newly admitted students were benefitted by it.

Below are certain screenshots and photographs of the event of online and off line activities conducted for orientating the students.
