Detailed Report:

In order to capability enhance, department of B. Com. (IT) organized one day seminar for the students of dept, of B. Com. (IT) on the subject 'Computer Languages & Its Importance' at Shri Venkatesh Mahavidyalaya, Ichalkaranji. For this seminar as a resource person Mrs. Sonal Khanjire, (Director, Shri Samarth Computer Education Society, Ich.) and Miss Anuja Kamat (HOD of Languages Dept.) were present. And the president of seminar was Prin. Dr. V. A. Mane sir.

First of all, the Dr. Pradeep Gaikwad explained the theme of the seminar and introduced the both resource persons.

Then, in first session Miss Anuja Kamat, explained, the importance of various computer languages such as C, C++, Java Script, Python to run the computer effectively as well as to become the computer programmer. Later, in the second session Mrs. Sonal Khanjire said that, to build the career in information technology need to get command on various computer languages by learning it. Further she said that while taking college education student should need to complete various short-term courses related to computer. Thus, they both guided to the students on various aspects of the computer languages and related several courses.

Then, in the presidential remark Prin. Dr. V. A. Mane sir said by considering future need he had started the B. Com. (IT) course in college therefore student should exploit this opportunity to build their career. At the end in interactive session with resource person students asked various questions.

For this programme, students and teachers of the department of B. Com. IT were present. For this programme, we received cooperation from teaching and non-teaching staff of the college. This programme was concluded with the vote of thanks proposed by Mr. S. M. Vanjire. While Miss. Sneha Hogade hosted the event.
