

Shri N. B. Education Society's

SHRI VENKATESHMAHAVIDYALAYA, ICHALKARANJI

REPORT ON FUNCTIONAL MoUs

Introduction: In accordance with the perspective development plan of the institution Shri Venkatesh Mahavidyalaya, Ichalkaranji has taken initiatives to bring the expertise from the industries, academics and other such helpful non-governmental organizations in contact with the students. The purpose of these initiatives is to get students exposure with the first-hand knowledge of these expertise. In this regard within the five years duration the institution has taken following steps:

- 1) MoUs with different reputed organizations
- 2) Academic Collaborations
- 3) Linkages with Business Organizations

The objectives behind taking these steps are as follows:

Step 1: Signing MoU

Objectives:

- To get students guidance from parties (signed under MoUs)
- To avail students facilities of training from these parties
- To get facilities and services
- To get organize Job fairs/Placement opportunities
- To help students get professional /employability skills
- To get technical support by the signing parties for effective administration

Step 2: Academic Collaborations:

Objectives:

- To facilitate student exchange
- To facilitate faculty exchange
- To share knowledge resources
- To get assistance in institutional activities

Step 3: Linkages with Business Organisations:

Objectives:

- To provide students opportunity to do market oriented research
- To avail the students real time data for research

In tune with these steps and objectives the institution has signed **11 MoUs** out of which **10 Bilateral MoUs** are functional during the assessment period. Under these MoUs the institution has conducted various activities benefitting to the students of the institution.
