# POLICY DOCUMENT FOR DIVYANGJAN

## INTRODUCTION:

Shri Venkatesh Mahavidyalaya , Ichalkaranji has established the committee of teachers to work for students with Disabilities. The Persons with Disabilities Act 1995 indicates that differently-abled persons should have access to education at all levels. The UGC has issued a letter to all universities regarding full implementation of persons with Disabilities Act, 1995 in universities and colleges and approved 3% reservation for persons with disabilities in admission to all the courses of study offered by universities and colleges. In the higher education sector, the University Grants Commission (UGC) is supporting universities in the country to involve in special education activities to empower differently-abled persons. The UGC had started the scheme of assistance to universities to facilitate Special Education and Higher Education for Persons with Special Needs (Differently-abled Persons) during the Ninth Five-Year Plan, which continued in the Tenth Plan. Keeping in view the need to provide special education programmes as well as infrastructure to differently-abled persons in higher education institutions, the scheme is extended to the Twelfth Plan.

Right of Persons with Disabilities Act, 2016 prohibits discrimination against individuals with physical and mental disabilities. Our college is always trying to provide a comprehensive and inclusive teaching and learning environment in which disabled students, or any employees are not distraught or treated unfavorably. .
