REPORT ON WORKSHOP ON RESEARCH METHODOLOGY

Introduction:

With the objectives of inspiring and facilitating the faculty to undertake research work and regulating the students' research work, the College Research Committee has been operating consistently. CRC kindles the research interest among the faculty members and graduate/post-graduate students. CRC oversees, scrutinizes and approves the funded research proposals, if any, non-funded research proposals (M. Phil. & Ph.D.) and students research projects. It also contributes to M.Com and BBA students by conducting a workshops related to research projects and its writing. It is purely an in-house exercise. The committee attempts to assess the feasibility of proposed research and makes suggestions to improve its relevance to the current context and technical validity. In this connection in the academic year 2020-21 the following workshop was conducted for the students of M.Com and BBA.

Workshop on Research Methodology and Preparation of Project Reports:

The workshop on Research Methodology and Preparation of Project Reports was conducted for the final year students of M.Com. on 17th March 2021 by M.Com Coordinator. In the present workshop the students were enlightened on application of research methodology, testing of hypotheses and preparation of research project reports. They were also guided about collection, tabulation and analysis and interpretation of data and writing research projects. The workshop helped the students to complete their M.Com project work in the satisfactory manner.
