Detailed Report:

Right to information is crucial in building a culture of transparency within the government, which is the foundation around which the relationship between the government and its people ought to be established. In democracy, the citizens have the right to seek information from the people and institutions who exercise power. The rights-based approach in the RTI establishes the right to seek information among the citizens. This right alone empowers the citizens in a democracy and hence, it is important to preserve, nurture and expand.

With this in mind, one-day workshop on 'Right to Information Act, 2005' was organized under Lead College Scheme of Shivaji University on 16th March, 2022. The students and faculties from 10 affiliated colleges covered under the cluster, participated in the workshop. Around 120 participants took benefit of the workshop.

Principal Dr. Vijay Mane inaugurated the workshop. Beforehand, Prof. (Dr). Naushad M. Mujawar, the co-ordinator of the workshop, presented the theme of workshop and introduced the resource persons. The inaugural function concluded with the vote of thanks given by Dr. D.S. Kamble.

The first session on '**Background & Importance of RTI**' was conducted by Advocate Akshay Khandekar. He said that the law gives citizens of India the tool to fight against corruption and Right to Information Act, in particular, gives citizens the right to ask for information and decide, based on the information so received, whether their constitutional rights have been met properly. With the help of a number of examples he enlightened the participants on significance of RTI and argued that proper understanding of said Act would be instrumental in making the students responsible citizens of India.

In the second session on '**RTI Procedure**', Advocate Pankaj Patil shared the procedure of asking for information from any authority and enlightened the participants on which information can and cannot be asked for.

The participants were divided in four groups and each group was given a particular situation and asked to list out the information that can be demanded. Thereafter, Advocate Akshay Khandekar scrutinized them and explained it case by case. The participants were given the RTI Form used in practice. He also shared some important judgements on RTI.

After interaction of participants with resource person and expression of their opinion about the workshop, the feedback, in written form, was taken from them. The workshop was concluded with the vote of thanks expressed by Dr. Sunita Ambawade. Asst. Prof. (Ms.) Mohini Anchaliya compeered for the workshop. All the participants were offered Certificate of Participation at the auspicious hands of the resource persons.

Detailed Report:

Advertising is an important part of trade and commerce for multiple reasons. Consumers are more likely to resonate with an ad if it is something they can relate to or if it is relevant to their interests. Some creative ads remain in our memory for the longer period. Creativity is the soul of advertising, which gives life to the message and make it unforgettable. Indian advertising industry is reaching to 700 billion INR by the year 2022 at the annual growth rate of 11.59 percent and poised for further growth in the view of rapid digitalization in the upcoming years. In the view of growing use of android mobile phones, use of Internet, magnitude of watching TV and introduction of new products and services, the young generation has a wider scope to shape their career in the field of advertisement.

With a view to familiarize the students with the art of conveying the message in a creative manner and in a fantastic way, one-day workshop on **'In the world of Advertisement'** was organized on 31st March, 2022 under the Lead College Scheme of Shivaji University, in which 120 students and teachers from 10 colleges covered under the cluster participated.

He focused on important aspects of advertisement like generating an idea, creating the message, designing slogan or tag line, selecting characters and location and so on and so forth. The participants were given some product brands and asked to prepare the script and tag line. Four students representing each row presented the advertisement, which was appreciated by the resource persons and all participants.

Prof. (Dr.) Naushad Mujawar and Dr. Shubhangi Jarandikar jointly conducted the second session on **'Legal and Ethical Issues in Advertising.'** Prof. (Dr.) Naushad Mujawar enlightened the participants on various laws regulating advertisement. He further discussed the legal issues involved in advertising by playing selected ads on screen. Dr. Shubhangi Jarandikar played some selected ads on screen and discussed the ethical issues involved in them.

Miss. Mohini Anchaliya and Miss. Sneha Hogade compeered for the workshop. Dr. Bajirao Kamble gave vote of thanks. The participating students expressed their opinions about the workshop. The workshop concluded after collection of feedback from participants and distribution of Certificates of Participation to them.

I am thankful to Prin. Dr. Vijay Mane for extending his support at every level in organizing the above-mentioned workshop. I extend my thanks to all resource persons, who had positively responded at a short notice. My thanks are due to Dr. Deepak Kamble, Co-Coordinator of Lead College Workshop, my colleagues and non-teaching staff without whose cooperation, conduct of these workshops would be unimaginable. Revolution in ICT, plethora of TV channels (Small Screen) and advent of latest technology have changed the face of film industry of India. A number of skill-based employment opportunities are available to the aspiring minds in the film industry. Though it is an attractive field for youth, they are ignorant about various technical and strenuous aspects behind the screen. Therefore, on 20th December, 2017, the third One-Day Workshop was organized on 'Employment Opportunities in Film Industry and Skill of Acting in Films' Dr. B. A. Khot inaugurated the workshop and Mr. R.R. Patil (Co-ordinator) introduced the guests and explained the theme of the workshop.

Dr. Himanshu Smart conducted the whole day workshop in two sessions, first on 'Employment Opportunities in Film Industry' and the second on 'Skill of Acting in Films' In a lucid manner, he explained the whole process of film-making, right from conceptualization of idea, development story, screen-play, casting till the distribution and box-office fate of the films. He made the participants aware of various employment opportunities for youth at every stage along with job-profile and job-skills. In the second session, he unfolded various aspects of 'acting' in films with the living examples.

Dr. (Mrs.) Shubhangi Jarandikar compered for the above workshop. Under the guidance of Principal Dr. B.A. Khot the aforementioned workshop were organized. Every member of teaching and administrative staff and students' council and NSS volunteers discharged their assigned responsibilities in organizing the workshops. We are thankful to all of them.
