## व्यंकटेश महाविद्यालयात उद्योजकांशी संवाद

सकाळ वृत्तसेवा

हवलकरजी, ता. २८ : उद्योगधंद्यांमध्ये येणारे आधुनिक तंत्रज्ञान आरंभसात करीत उद्योगधंद्यात वाढ केली तरच उद्योगधंदे टिकू शकतात. मानवी कौशल्याचे योग्य व्यवस्थापन, आधुनिक तंत्रज्ञानाचा वापर, ग्राहकांचे समाधान व वित्तीय व्यवस्थापन योग्य प्रकारे केल्यास निश्चितच भारतीय उद्योग-व्यवसाय जगभरात वेगळे स्थान निर्माण करेल, असे प्रतिपादन कोल्हापूरमधील प्रसिद्ध उद्योजक एम. बी. शेख यांनी केले. ते व्यंकटेश महाविद्यालयात लक्षवेध विभाग आणि माजी विद्यार्थी संघटना यांच्याद्वारे आयोजित 'प्रतिभेपक्ष उद्योजकांशी संवाद' कार्यक्रमादरम्यान बोलत होते.

विद्यार्थी व यशस्वी उद्योजक यांच्यामध्ये संवाद घडवून नवीन उद्योजक तयार करण्यासाठी परिसंवादाचे आयोजन केले होते.

चितळे म्हणाले, "एखाद्या उद्योजकाने आपल्यासोबत असलेल्या व्यक्तींना यशस्वी उद्योजक बनवण्याचे लक्ष ठेवले पाहिजे. उद्योजकाने बाजारपेठ व आपल्या परिसराची गरज काय आहे, याचा विचार करून उद्योग निर्माण केल्यास आपण यशस्वी उद्योजक होऊ शकतो."

कार्यक्रमात महाविद्यालयाच्या दुसऱ्या व्यंकटेश बुलेटीनचे प्रकाशन केले. प्रा. डॉ. व्ही. ए. माने यांनी प्रास्ताविक केले. एन. एम. मुजावर, एस. एन. जर्डीकर, श्रीनिवास मोहरा, बाबासाहेब बर्डिंगे, भास्कर दिगळे आदी उपस्थित होते.

### Detailed Report:

Right to information is crucial in building a culture of transparency within the government, which is the foundation around which the relationship between the government and its people ought to be established. In democracy, the citizens have the right to seek information from the people and institutions who exercise power. The rights-based approach in the RTI establishes the right to seek information among the citizens. This right alone empowers the citizens in a democracy and hence, it is important to preserve, nurture and expand.

With this in mind, one-day workshop on 'Right to Information Act, 2005' was organized under Lead College Scheme of Shivaji University on 16<sup>th</sup> March, 2022. The students and faculties from 10 affiliated colleges covered under the cluster, participated in the workshop. Around 120 participants took benefit of the workshop.

Principal Dr. Vijay Mane inaugurated the workshop. Beforehand, Prof. (Dr). Naushad M. Mujawar, the co-ordinator of the workshop, presented the theme of workshop and introduced the resource persons. The inaugural function concluded with the vote of thanks given by Dr. D.S. Kamble.

The first session on '**Background & Importance of RTI**' was conducted by Advocate Akshay Khandekar. He said that the law gives citizens of India the tool to fight against corruption and Right to Information Act, in particular, gives citizens the right to ask for information and decide, based on the information so received, whether their constitutional rights have been met properly. With the help of a number of examples he enlightened the participants on significance of RTI and argued that proper understanding of said Act would be instrumental in making the students responsible citizens of India.

In the second session on '**RTI Procedure**', Advocate Pankaj Patil shared the procedure of asking for information from any authority and enlightened the participants on which information can and cannot be asked for.

The participants were divided in four groups and each group was given a particular situation and asked to list out the information that can be demanded. Thereafter, Advocate Akshay Khandekar scrutinized them and explained it case by case. The participants were given the RTI Form used in practice. He also shared some important judgements on RTI.

After interaction of participants with resource person and expression of their opinion about the workshop, the feedback, in written form, was taken from them. The workshop was concluded with the vote of thanks expressed by Dr. Sunita Ambawade. Asst. Prof. (Ms.) Mohini Anchaliya compeered for the workshop. All the participants were offered Certificate of Participation at the auspicious hands of the resource persons.

### Detailed Report:

Advertising is an important part of trade and commerce for multiple reasons. Consumers are more likely to resonate with an ad if it is something they can relate to or if it is relevant to their interests. Some creative ads remain in our memory for the longer period. Creativity is the soul of advertising, which gives life to the message and make it unforgettable. Indian advertising industry is reaching to 700 billion INR by the year 2022 at the annual growth rate of 11.59 percent and poised for further growth in the view of rapid digitalization in the upcoming years. In the view of growing use of android mobile phones, use of Internet, magnitude of watching TV and introduction of new products and services, the young generation has a wider scope to shape their career in the field of advertisement.

With a view to familiarize the students with the art of conveying the message in a creative manner and in a fantastic way, one-day workshop on '**In the world of Advertisement**' was organized on 31<sup>st</sup> March, 2022 under the Lead College Scheme of Shivaji University, in which 120 students and teachers from 10 colleges covered under the cluster participated.

Mr. Uday Godbole, Assistant Station Manager, Radio Sugar, Islampur, the resource person for the first session, inaugurated the workshop. Beforehand, Dr. Sarika Thakar presented the theme of workshop and introduced the resource person, whom Prin. Dr. Vijay A. Mane welcomed. The inaugural session was concluded with the vote of thanks given by Dr. Deepak Kamble.

Mr. Uday Godbole conducted the first session on '**Creating Social and Commercial Advertisement**', in which he described the whole process of creating an advertisement in engulfing the practical examples. He focused on important aspects of advertisement like generating an idea, creating the message, designing slogan or tag line, selecting characters and location and so on and so forth. The participants were given some product brands and asked to prepare the script and tag line. Four students representing each row presented the advertisement, which was appreciated by the resource persons and all participants.

Prof. (Dr.) Naushad Mujawar and Dr. Shubhangi Jarandikar jointly conducted the second session on '**Legal and Ethical Issues in Advertising**.' Prof. (Dr.) Naushad Mujawar enlightened the participants on various laws regulating advertisement. He further discussed the legal issues involved in advertising by playing selected ads on screen. Dr. Shubhangi Jarandikar played some selected ads on screen and discussed the ethical issues involved in them.

Miss. Mohini Anchaliya and Miss. Sneha Hogade compeered for the workshop. Dr. Bajirao Kamble gave vote of thanks. The participating students expressed their opinions about the workshop. The workshop concluded after collection of feedback from participants and distribution of Certificates of Participation to them.

I am thankful to Prin. Dr. Vijay Mane for extending his support at every level in organizing the above-mentioned workshop. I extend my thanks to all resource persons, who had positively responded at a short notice. My thanks are due to Dr. Deepak Kamble, Co-Coordinator of Lead College Workshop, my colleagues and non-teaching staff without whose cooperation, conduct of these workshops would be unimaginable. Special thanks to Dr. P.R. Gaikwad, Mr. Toufik Naykawade, Mr. Sharanappa Malghan and Mr. Talib Mulla for providing technical support.

Entrepreneurial growth is important for promoting social change as well as driving innovation. Whenever an entrepreneur innovates new product or service, he provides a new combination of resources in the society, which pioneers a new organization, creates new jobs with new skills and increases the nation's wealth. While competing graduation, the students should make their minds to do business instead of running after jobs. **SESSION-I: ENTREPRENEURSHIP DEVELOPMENT: A NEED**

Our Age (2021) is an Entrepreneurial age and at the same time it is an age of 'Innovation.' Fortunately, these innovations are disruptive. The global landscape of business is changing with fast speed. It is time to re-imagine everything. In this realm of startups we have to accelerate innovation. In Agricultural Age 'Land' was the major asset. In Industrial Age big machines, factories were physical assets. In this knowledge society with knowledge economy, service economy many assets are 'intangible.' They are methods adopted in doing things, designs, software and platforms used. This world is now digitally driven world and businesses are being operated in altogether different ways.

New entrepreneurs are coming up from all corners of the different states in India. There is small revolution and it is propelled by these new breed of entrepreneurs. They are changing equations, assumptions. They are aspiring for world class quality. Entrepreneurship is the last resort, option for young graduates from different fields and disciplines. There is awful shrinkage of jobs in government sector. Some of the jobs are substituted by robots and machines. Instead of searching jobs and spending most valuable and productive years of life, young people have to struggle for doing something new, innovative disruptive and entrepreneurship is the right answer. It is high time to create an entrepreneurship.

One has to have some competencies to enter into the world of entrepreneurship. It is unpredictable, volatile, challenging, no doubt. If you have ability to develop some things, create something, if you are ready to organize, and run business of any nature, if you have strong desire to establish, if you have passion to succeed, then you can overcome all challenges and take charge of your enterprise. Open mind, risk taking, positive attitude, ability to get along with people from diverse background and different capacities, these attributes are essential to become successful entrepreneur. Joseph Alois Schumpeter, famous economist and famous 20<sup>th</sup> century intellectual is known as the father of entrepreneurship. 'Creative destructive' was famous term coined by him. He was advocating strongly that entrepreneurship is the source of innovation and it is must for economic growth.

In India, many entrepreneurs are doing business with grand success. Govt. of India and some state governments also are pro-active and supporting entrepreneurs in general and women entrepreneurs in particular. Collaboration with big corporates like Cisco are established. Help is provided for skilling and mentorship. Incubations, programs for financial and marketing assistance are undertaken. National Entrepreneurs Network has been created. The institutes such as IIM-Ahmedabad, IIT-Bombay, BIT's Piloni are the founding fathers. Entrepreneurship is the youngest discipline In India. Universities and Colleges across India have established 'e' cells and have promoted this discipline.

Many Indian Startups are role models of entrepreneurs and they are models or global companies. Just to name few of them are 'Oyo Rooms' by Ritesh Agarwal, 'Yourstory' by Shraddha Sharma, 'OLA cabs' by Bhavesh Agarwal, 'Paytm' by Vijayshekar Sharma, Zomato by Deepindar Goyal, Flipcart by Binay Bansal and Sachin Bansal, 'Make myTrip' by Deep Kalra, BYJU by Byju Ravindran. All these companies and their owners are successful entrepreneurs. They are all marching from zero club to hero club. Even *Vadawalas*, *Bhelwalas*, *Biryaniwalas* in cities across the country are small entrepreneurs. Nilim Mishra's Godhadī (Blanket), Jagjit Singh's Honey, Kanegonkar's Perfumes Nandkishor Choudary's handwoven rugs are the best examples of ambitious entrepreneurs.

All these visionary and enterprising minds ventured in different field of businesses and they have generated very good job opportunities for millions of people. They have given boost to Indian economy and at the same time have provided different kind of prompt and speedy services to customers and consumers.

Thomas Watson of IBM says 'Work is the best therapy' you do not need any supplement if you are busy with a good work. Young minds have to follow this idea of great industrialist and entrepreneur in the world.

### CONVENER'S MESSAGE

**DR. S. N. JARANDIKAR**

M.A. (Eng.), Ph.D.

Asst. Professor in English

Shri Venkatesh Mahavidyalaya, Ichalkaranji

Dist: Kolhapur (M/S)

We are very much aware that the Covid-19 pandemic has disrupted the whole world to an unimaginable extent. Several conventional practices and skills needed for employment and entrepreneurship have turned outdated and require adaptation to sustain in such an extreme situation. In return, the world has been surging with several new concepts and forms of employment in various fields. Digital transformations, hybrid models of human resources and emergence of new digital skills for employment have changed the very fabric of society resulting in finding out more new modes of recruitments and entrepreneurship. Along with the world of trade and business, a change is also perceptible in the field of arts and languages regarding the employment opportunities. In this connection extension systems working in the academic and non-academic platforms seem to play major role in equipping coming generations of employees to adapt new employment and entrepreneurial skills. Several extension activities such as conducting new programs, providing training, organizing workshops and including the collaborative activities through linkages in the areas of research, human resource management and several other frontiers can strengthen the employability and other necessary skills in this new environment. Keeping in mind such a demand in this 'new normal' world, the IQAC of Shri Venkatesh Mahavidyalaya, Ichalkaranji, planned to conduct a virtual seminar. I am indeed happy and wish to express my sincere thanks to the principal of our college who provided me an opportunity to work as a convener for such an academic endeavour. In organizing this webinar the IQAC of the college had the following objectives in mind:

- 1) To explore the nature, scope and opportunities of employment in various fields in new

normal

- 2) To identify new trends of entrepreneurship in the current scenario
- 3) To explore the new employability skills in various fields
- 4) To churn out new ideas for better recruitment/ employment prospect of the youth in the society in changing scenario
- 5) To discuss emerging systems of extension activities to boost entrepreneurial and employability skills
- 6) To envisage emerging threats to employment and entrepreneurship for the employable groups of the society

Shivaji University, Kolhapur through its Centre of Skills and Entrepreneurship Development and LL & E has been remarkably working in the same direction. Therefore the IQAC of the college sent a proposal for the collaborative activity to the university and we received a favourable response. I extend my sincere thanks to Dr. A. M. Gurav, in charge director of LL&E and CSED who took a major initiative and contributed to a large extent in conducting the webinar. I would also like to thank honourable Vice Chancellor Prof. Dr. D. T. Shirke for accepting our invitation to inaugurate the webinar. It is my sincere duty to thank Dr. Nandkumar Mekoth, Dr. B. M. Hirdekar and Dr. Anil Rao-Paila whose deliberations on the theme of the webinar have opened up very new avenues. We have tried to bring their ideas in a printed form in the webinar proceedings. I feel it my honest duty to express my thanks to the participants of this webinar who have added new insights through their research articles. It is my immense pleasure to put forth all these research contributions in a form of webinar proceedings under the editorship of Dr. N. M. Mujawar. My sincere thanks are due to him. I honestly hope that the proceedings of the webinar would serve a purpose of documenting those various ideas that have propped up through the discussions at the webinar. Though everything cannot be tapped in one attempt and many things are yet to be sought, we know that research is a continuous process and these kinds of webinar help to pave the further way for a journey ahead.

Before I conclude, I extend my whole hearted thanks to the office bearers of N. B. Education Society. I owe my deep sense of gratitude towards co-convenor Dr. S. H. Ambawade who constantly went through the research articles to bring them to the mark of proceedings, my colleagues, administrative staff of our college and the authorities as well as the technical staff of Shivaji University, Kolhapur for providing me a continuous support in organizing the webinar. I hope that all of you will welcome the online publication of the Webinar Proceedings and extend your cooperation in future too.

### KNOWLEDGE PARTNER'S MESSAGE

**Prof. (Dr.) A. M. Gurav**

I/C Director, Department of Lifelong Learning and Extension

Center for Skills and Entrepreneurship Development

Shivaji University, Kolhapur

It is indeed a moment of happiness that the Department of Lifelong Learning and Extension and Centre for Skills and Entrepreneurship Development of Shivaji University, Kolhapur organized an Interdisciplinary National Webinar on the theme of

“Employment, Entrepreneurship and Extension” in collaboration with Shri Venkatesh Mahavidyalaya, Ichalkaranji. The very objective of LL& E and CSED is to create a platform for the development of employability skills and to create opportunities of entrepreneurship in the society. The Department of LL&E is keen to enhance field outreach activities. It also seeks to develop skills for community research. I feel to emphasize that to bridge gap between formal and non-formal education, to reach to deprived groups of society, to provide need-based learning opportunities to social communities or to build a platform for vocational education and employment are the very core activities that the Department of LL&E undertakes. At present it offers 79 on and off the campus courses, in collaborative and interdisciplinary manner.

In this direction, organising webinar on the said theme and working on it in a collaborative form was really a wonderful task for us. I must specifically mention the innovative practice we introduced in this webinar and that was ‘making an online live marketing of the region- specific goods as the part of the webinar activity. We also introduced the online cultural programme as a presentation of skills, students can use for identifying their employability skills. I feel that these innovative practices are first of its kind in the organisation of national webinar. I am indeed delighted that such an activity has led us to materialize the objectives of the Department in its true sense. Dr. V.A. Mane, honourable Principal of Shri Venkatesh Mahavidyalaya, Ichalkaranji had been very keen in initiating such a joint venture and all the team of Shri Venkatesh Mahavidyalaya and LL&E and CSED has taken efforts in executing the plan of organising such a kind of interdisciplinary national webinar.

At this occasion I would like to express my sincere thanks to honourable Vice-Chancellor, Prof. (Dr.) D. T. Shirke who approved and appreciated our act of collaborative efforts and with his auspicious presence graced the inaugural ceremony of the webinar. The webinars of such kind are actually the platforms where sharing, exploring and churning of new ideas and thoughts are possible. It was very fortunate for us that Prof. (Dr.) Nandkumar Mekoth, Prof. (Dr.) Anil Rao, Dr. B. M. Hirdekar and Prof. (Dr.) Dilip Patil who are the renowned personalities in their own fields accepted our invitation and expounded their innovative ideas in regard to the theme of the webinar. It is definitely a great achievement of the webinar. I must thank them all.

As the major objective of the webinar was to initiate a discourse by the academicians, industrialists, thinkers and the representatives of the young generation from different disciplines on the possibilities of new employment opportunities and need of extension activities in developing entrepreneurial skills, we are happy to receive the participants’ responses in the form of research articles. We are publishing certain selected research articles in the form of webinar proceedings. I wish to express my thanks to the delegates who participated and presented their ideas in the webinar. I hope that the webinar proceedings will be received by the several stakeholders and will initiate a new dialogue further.

I greet my best wishes to the coordinating team of the webinar and thank all of those who contributed in making this event fruitful.

यावेळी वेबिनारसाठी रिसोर्स पर्सन म्हणून मॉडर्न कॉलेज आर्ट्स, सायन्स व कॉमर्स शिवाजीनगर, पुणे येथील ग्रंथपाल डॉ. शांताश्री सेनगुप्ता या होत्या. वेबिनारच्या उद्घाटन प्रसंगी प्राचार्य डॉ. व्ही.ए.

माने यांनी अनेक नॅक मुल्यांकनामध्ये ग्रंथालये महत्त्वाची भूमिका बजावत असतात, त्यामुळे नॅक मुल्यांकनाची ग्रेड वाढविण्यासाठी ग्रंथालये परिपूर्ण असणे तसेच त्यांच्या मार्फत देण्यात येणाऱ्या विविध सुखसुविधा देखील परिपूर्ण असणे गरजेचे आहे, असे त्यांनी सांगितले.

वेबिनारच्या थीमची ओळख महाविद्यालयाचे उपप्राचार्य डॉ. एन.ए. मुजावर यांनी करून दिली. त्यावेळी त्यांनी नॅक मुल्यांकन सुरू झाल्यापासून प्रत्येक नॅक

सायकलमध्ये ग्रंथालयाच्या जबाबदारीमध्ये कशा पद्धतीने बदल होत गेले याचे सविस्तरपणे मार्गदर्शन केले. त्यानंतर ग्रंथपाल एम.पी. केसरकर यांनी पाहण्याची ओळख करून दिली. वेबिनारचे मुख्य रिसोर्स पर्सन डॉ. शांताश्री सेनगुप्ता यांनी मार्गदर्शन करताना नॅक मुल्यांकनामध्ये विभाग ४ मध्ये ग्रंथालयाबाबत असणाऱ्या सर्व बाबींचे सविस्तर मार्गदर्शन केले. तसेच नॅक मुल्यांकनामध्ये सर्व सात विभागांमध्ये ग्रंथालयाला

कोणकोणत्या जबाबदाऱ्या पार पाडाव्या लागतात याबाबत पी.पी.टी. द्वारे अतिशय मोलाचे मार्गदर्शन केले.

यानंतर प्रश्नोत्तराच्या कार्यक्रमात सहभागी ग्रंथपालांनी विविध प्रश्न विचारले. त्यास त्यांनी योग्य अशी उत्तरे दिली. या वेबिनारमध्ये महाराष्ट्रातील विविध शहरांसह पश्चिम बंगाल, दिल्ली, उत्तर प्रदेश, उत्तराखंड, गोवा, राजस्थान, चेन्नई अशा विविध राज्यातून ३७० पेक्षा जास्त ग्रंथपालांनी सहभाग नोंदवला.

तर कॅनडा या देशांमधून देखील एक ग्रंथपाल वेबिनारसाठी उपस्थित होते. वेबिनारसाठी टेक्निकल सपोर्ट म्हणून सी. के.व्ही. जगनाडे, मुंबई मुजावर व प्रशांत कल्लोळी यांचे सहकार्य लाभले.

हा वेबिनार यशस्वी होण्यासाठी महाविद्यालयातील शिक्षक व शिक्षकेतर कर्मचाऱ्यांनी मोलाचे मार्गदर्शन केले. अतिशय अभ्यासपूर्ण असा हा राष्ट्रीय वेबिनार संपन्न झाला. कार्यक्रमाचे आभार प्रदर्शन सी. ए.एस. घोरपडे यांनी मानले.

**Detailed Report:**

One-day workshop on "Intellectual Property Rights & Business" was organized under Lead College Scheme of Shivaji University, Kolhapur. The workshop focused on how ideas can be converted into innovation and get registered under various Intellectual Property Laws as per their nature. The workshop provided a good opportunity for creative brains. The students and faculties from 10 affiliated colleges covered under the cluster, participated in the workshop. Around 110 participants took benefit of the workshop.

The 21<sup>st</sup> Century has offered abundant opportunities to young generation to find their career path via creativity and innovation. The evidence has shown that even Tea Shops like Salgar Tea, Harman Tea and the like are being run under franchisee agreement

of the persistent research on ingredients and process of making tea. This is just a simple example of how a business can be developed by innovative minds. The transformation of economy from controlled to decontrolled, investment to disinvestments, regulation to management, nationalization to privatization and domestic trade to global trade etc. has brought transformation in the needs and expectations of society in general and the business world in particular, which has created a conducive environment for aspiring minds. However, they need right guidance regarding generation of ideas, conversion of ideas into innovative products or services and getting their novel products or services or artistic work registered under Intellectual Property Laws, which encompasses Copyrights, Trademarks and Patents etc. Keeping this in mind the said workshop was organized.

Prof. (Mrs.) ShobhaKumbhar, the senior faculty & head of dept. of Electrical Engineering from Sanjay Ghodawat University inaugurated the workshop. Beforehand, Dr. Naushad M. Mujawar, Head of Department of Commerce of the host college and Coordinator of the workshop, presented the theme of workshop and introduced the resource persons. The inaugural function concluded with the vote of thanks given by Dr. D.S. Kamble after presidential remarks of Prin. (Dr.) Vijay A. Mane.

In the first session on **'Flowing Ideas into Innovation'**, Prof. (Mrs.) ShobhaKumbhar explained, with suitable real-life examples, as to how ideas can be generated and how they can be converted into innovative products and services. She argued that there is an ample scope for the youths to find the solutions to many burning problems of society through their creativity. Not only that, they can create lucrative business for them through creativity.

The second session was on **'Impact of IPR on Business'** conducted by Prof. Devendra Gouda-Patil, the faculty of Electrical Engineering Department of Sanjay Ghodawat University. He touched upon the critical contents of IPR with special reference to Copyrights, Patents, Trademarks and Designs. With easy-to-understand language, he enlightened the participants on the basic requirements for and the process of registration under IP laws. Both the sessions were followed by interactions.

Around 10 patents are standing under the names of both the resource persons, which helped to make both the sessions lively and interesting. The feedback in written form given by the participants at the end of the day was fairly heartening. The workshop was concluded with the vote of thanks expressed by Asst. Prof. Mr. ToufikNayakwade. Asst. Prof. (Mrs.) Ghorpade and Asst. Prof. (Miss.) MohiniAnchaliya compeered for the workshop.

**Detailed Report:**  
 A one-day International Conference on 'Advanced and Innovative Practices in Commerce and Management, Science and Technology, Humanities, Languages and Their Role In Achieving The Exponential Growth' was organized by ant at Shri Venkatesh Mahavidyalaya, Ichalkaranji Dist: Kolhapur, (Maharashtra) on 16<sup>th</sup> February, 2019 in collaboration with Shivaji University Commerce and Management Teachers Association

(SUCOMATA) and Bharati Vidyapith Deemed University's Institute of Management and Entrepreneurship Development (IMED), Pune, as knowledge partners.

Compared to earlier centuries, the 21st Century has been experiencing the rapid speed of change, which is transforming the whole world in many ways. The first Industrial Revolution, taken place in the late 18<sup>th</sup> century, changed the then world with steam power and mechanization, the Second Revolution, taken place in the late 19<sup>th</sup> century, with electricity and assembly lines, the Third Revolution, taken place in the mid-20th century, with Information-Communication Technology and Automation. Now a wide range of new technologies and innovations has been changing the ways of doing business and almost everything done by the people. This Fourth Revolution, rightly termed as Industry 4.0 encompasses many new technologies and innovations like Artificial Intelligence (AI), Virtual Reality (VR), smart robots, chatbots, the Internet of Things (IoT) and so on and so forth. Sophia, whom Saudi Arabia has conferred its citizenship, is the best creation of Artificial Intelligence. The entire value chain is being digitized, which resulted in interconnection of people, resources, tools and systems, objects and entities through real-time data exchange. The concepts of paperless offices and man-less factories are getting firm roots in the society. These aspects of growth and development have touched almost all aspects of human life. This pace of change has raised many questions for which the research scholars have to be chest thumping and muscle flexing in finding the solutions in coming times. Every discipline has to contribute towards this end. Bearing this in mind the above-said International Conference was organized.

This conference succeeded in bringing together the best and innovative minds from academic fields, social and corporate world to discuss the issues, challenges, new trends, strategies, innovations and best practices in Commerce and Management, Economics and other Social Sciences, Science and Technology, Computer Science and Information Technology, Humanities and Environment, Education, Literature and Law and the like. The chief objectives behind holding the conference were....

- (1) To provide a platform for interactive sessions between researchers, practitioners, policymakers and academicians from a range of disciplines and countries
- (2) To provide a networking opportunity for exchange of multidisciplinary ideas with a hope to develop the solutions to the current issues that hinders the momentum of economic growth and development
- (3) To provide an opportunity to participants to learn about the best and state-of-art technologies, the best practices in various disciplines and global experiences

It was inaugurated at the auspicious hands of Mr. M. B. Shaikh, the famous industrialist of Kolhapur, in the presence of office-bearers of Shri. Narayanrao Babasaheb Society, Ichalkaranji and the knowledge partners. In his inaugural address, Mr. Shaikh spoke about the importance and relevance of the theme of the conference and elaborated the current happenings in various fields. Beforehand, Principal Dr. Vijay Annaso Mane welcomed and introduced the guests and Dr. Naushad Makbool Mujawar, the Conference Convener, explained the theme and objectives of the conference. In post-lunch session, technical sessions I and II were conducted in eight different tracks, created discipline-wise and chaired by senior teachers in the respective fields of the study. Research students were also given an opportunity to share their research outputs. The researchers from different states of India and also from Bangladesh, Iran and Iraq presented their research papers. A nice blend of senior researchers and new generation researchers was achieved in technical sessions.

## INVITATION

It is our immense pleasure to welcome you to International Conference to be held on 16th Feb. 2019.

## ABOUT NARAYANRAO BABASAHEB EDUCATION SOCIETY-THE PARENT INSTITUTION

The lamp of education was lighted by His Highness Late Mr. Narayanrao Ghorpade, the Jahagirdar of the then Ichalkaranji province, by starting Govindrao High School. Thereafter, with the initiative taken by five ex-teachers of Govindrao High School, Shri Narayanrao Babasaheb Education Society was established in 1898, which presently manages seven different units providing education from KG to PG. The vision as exemplified by the founders is embodied in its motto as 'Satkriya Acharavi', meaning 'the practice of quality behavior.'

Corresponding to the local needs of an industrious city of Ichalkaranji, Shri N.B. Education Society started Shri Venkatesh Mahavidyalaya in 1983 with a view to provide quality commerce education blending it with moral and civic values, relevant in the present context.

## ABOUT SHRI VENKATESH MAHAVIDYALAYA, ICHALKARANJI

In line with the vision of the parent institution, Shri Venkatesh Mahavidyalaya, since its inception in 1983, has been chequering the growth with the mission of '*imparting the quality education in commerce to all classes of society and moulding the students into socially responsible citizens and contributing to the development of human resources by enabling to meet the contemporary challenges*'. The college has come a long way since its modest beginning with 111 students in June, 1983 on no-grant basis for three initial years. Now 1756 students are taking commerce education across B. Com., B.B.A. and M.Com. courses. All classrooms are equipped with LCD projectors, two with Smart Boards and newly built-up Language Lab and AV-cum-Conference Hall have added value to imparting pedagogical contents.

Since the first batch in 1986, almost every year, our students have presence in the Merit List of Shivaji University, with a very few exception. During the span of 34 years, the college has the roll of honour of 34 University Merit Holders.

The college has undergone the third cycle of reaccreditation by NAAC, Bangalore, in October, 2017 and accredited at 'B' grade with CGPA of 2.31.

Along with B.Com. and M.Com., the college has been running a professional course of B.B.A. since June 2008 and four short-term certificates courses. It is indeed a matter of proud privilege for us that our college has been accorded as the centre of C.A. Examinations by Institute of Chartered Accountants of India (ICAI) since May 2015.
