Report On Workshop on Career Opportunities in Retailing & Digital Marketing

Retailing comes at the end of the marketing distributive channel. In India, retailing originated from the emergence of Kirana stores and mom-and-pop stores, which used to cater to the needs of local people. Before 1980's retailing in India was synonymous with peddlers, vegetable vendors, neighborhood kirana stores or sole clothing and consumer durable stores in a nearby town. In 1980's saw the major change in retailing. The textile companies like Bombay Dyeing, S Kumar's, Grasim and Raymonds came up with retail chains in textile sector, followed by Titan retail showrooms in the organized retail sector. Liberalization of the Indian economy led to withdrawal of stringent restrictions and the latter half of the 1990s saw a fresh wave of retailer entrants. With a shift from manufactures to pure retailers. The retail sector has emerged as one of the most dynamic and fast-paced industry in India due to the entry of several new players and presently it is the most booming sector in Indian economy.

Report on "Bio data and Job Resume"

Shri Venkatesh Mahavidyalaya, Ichalkaranji is specialized as Commerce College. A Placement Cell unit is established in the college. This unit is established with a view to make available various job opportunities to the students.

The recruitment-adds published in newspapers and received from other industrial and commercial establishments were displayed on notice board. Being under affiliation system and in view of the weak linkages with the user sector, we are aware of our limitations in respect of providing full-fledged placement assistance service to our students. However, we have been trying our best to acquaint them with the career opportunities in various fields as well as enhancing their employability. On behalf of Placement Cell one workshop on "**Bio data and Job Resume**" was organized. 203 students attended the workshop. Committee member Prof. N. M. Mujawar helped me for effective functioning of the placement cell.
