Detailed Report:

The Government of India has an agenda to use education as a catalytic tool to transform the future of children and youth of India, with a specific focus on quality education, innovation and research, aiming to make India a knowledge superpower. It is argued that the draft National Education Policy will strive to equip the students with the necessary skills and knowledge compatible to current times and useful for national development. However, on the other hand, it is doubted on the ground that it would be detrimental to the interest of underprivileged sections of the society and against the social justice. On this background, the second one-day workshop on 'Draft National Education Policy-2019' was organized on 21st January, 2020, in which around 110 the students and faculties from 10 affiliated colleges covered under the cluster, participated.

Activity Report:

In the modern education system, the use of E-resources has become sine qua non for teachers. The present era of ICT revolution has not only changed the mode of delivery of pedagogical contents but the process of assessment of their academic performance. The numerical weightage allotted to use of different E-resources by has highlighted its importance. College teachers have to take initiation in this regard. Keeping this in mind, one day workshop for college teachers on 'Use of E-resources for Teaching' was organized on 9/09/2017, in which around 35 teachers from the colleges covered under the cluster participated.

Dr. Babasaheb Khot, the Principal, inaugurated the workshop and Dr. N.M. Mujawar the Joint Co-ordinator of the workshop explained the need of organizing the workshop.

Mr. Prashat Kalloli, the Librarian of xxxxxxxxxxxx college conducted the first session on 'Various E-resources for Teaching' in which he acquainted the participants about a number of E-resources which a college teacher can use for teaching their subjects. He provided a good number of important links where such E-resources are available on Internet. He argued that the teachers should willingly get adapted with the new changing coming up in the education filed. He shared his first-hand experiences at his college.

Dr. Ajay Shinde, the Associate Professor at CSIBER, Kolhapur enlightened the participants on how to create MOODLE and manage it at college. He demonstrated the MOODLE of CSIBER. He shared the technical aspects of MOODLE as Learning Management System (LMS). In the view of revised manual of NAAC for affiliated colleges, LMS occupies the special importance, has been allotted

Principal Dr. B. A. Khot gave presidential remarks. Mr. R.R. Patil gave vote of thanks. The participants expressed their views about the workshop in valedictory function.

Dr. (Mrs.) Shubhangi Jarandikar compered for workshop. Under the guidance of Principal Dr. B.A. Khot the aforementioned workshop were organized. LEAD COLLEGE WORKSHOP

(2) ONE-DAY WORKSHOP ON 'DRAFT NATIONAL EDUCATION POLICY-2019'

The Government of India has an agenda to use education as a catalytic tool to transform the future of children and youth of India, with a specific focus on quality education, innovation and research, aiming to make India a knowledge superpower. It is argued that the draft National Education Policy will strive to equip the students with the necessary skills and knowledge compatible to current times and useful for national development. However, on the other hand, it is doubted on the ground that it would be detrimental to the interest of underprivileged sections of the society and against the social justice. On this background, the second one-day workshop on 'Draft National Education Policy-2019' was organized on 21st January, 2020, in which around 110 the students and faculties from 10 affiliated colleges covered under the cluster, participated.

Prof. Sudhakar Mankar, Former Head, Dept. of Commerce, Shahaji Chh. Mahavidyalaya, Kolhapur and activist of Shivaji University Teachers'(SUTA) inaugurated the workshop. Beforehand, Dr. Naushad M. Mujawar, Head of Department of Commerce of the host college and Co-ordinator of the workshop, presented the theme of workshop and introduced the resource persons. The inaugural function concluded with the vote of thanks given by Dr. D.S. Kamble after presidential remarks of Prin. (Dr.) Vijay A. Mane.

The first session on '**Draft National Education Policy-2019: Recommendations**' was conducted by Prof. Sudhakar Mankar, in which he reviewed almost all vital recommendations. He argued that the prevailing system of higher education comprised of 799 universities and 39071 affiliated colleges inclusive of 1800 women colleges is not altogether ineffective. However, the recommendation to convert around 800 universities and 40,000 colleges merely into 10,000 to 15,000 institutes will forcefully divert all those, who do not afford to obtain admission to these institutes, to Open and Distance Education mode. Along with this, the financial autonomy is likely to endanger the 'access' and 'equity'— the basic components of the social justice policy of government. Further, the condition of minimum 5 lakh population for a college would result in the closure of many colleges operating in rural and tribal areas.

Moreover, there will be three types of institutions namely (i) Type-I: Research Universities (ii) Type-II: Teaching Universities & (iii) Teaching Colleges, which will be energized by granting them autonomy, providing them public financial support and encouraging the private philanthropic efforts. This means that there will be complete end of affiliation system, which is likely to be a serious impediment to the growth of higher education in the country.

In the second session on '**Implications of Draft National Education Policy-2019**', Dr. Subhash Jadhav- Head, Dept. of Economics, D.R. Mane Mahavidyalaya, Kagal, mentioned that Government of India has been spending only 2.74 percent of GDP on education, which is very meager, compared to many other countries of the world. He further argued that the implementation of National Education Policy-2019 in its present form would create serious social problems, as the large chunk of society is likely to be deprived from the quality education.

Six participants expressed their opinions about the theme and organization of the workshop. The workshop was concluded with the vote of thanks expressed by Asst. Prof. Mr. Toufik Nayakwade. Asst. Prof. (Mrs.) Ghorpade and Asst. Prof. (Miss.) Mohini Anchaliya compered for the workshop. All participants were offered Certificates of Participation at the hands of the resource persons.
