Any suggestion for the quality improvement of the college.(Some sample suggestions)

Best College and Greatest Teacher's Team

Very good college and all teacher staff are very good.

Each student should be given individual attention.

More development activities should be conducted visit to factory must be there to gain experience and knowledge.

Same changes in library

Conclusion:

The Students Satisfaction Survey in its graphic presentation exemplifies the overall satisfaction about the curriculum delivery, mechanism of evaluation and the institutional efforts taken for conducting co-curricular and employability related programmes. As per some of the instructions of the students the online mode of education seems to be inconvenient and

hence they have recommended the availability of e content. Most of the teachers have tried to provide e-content to the students in respect to their subjects and IQAC has taken lead to encourage the other teachers to cater to the students demand.
